The Municipal Committee of the DSEM (Dimitrov Union of People's Youth) in Gorna Oryakhovitsa, after discussing the decision of the Fourth Plenary Session of the Central Committee of the party, arranged a joint meeting with the Oskliya Council of DOSO (voluntary organization for Defense Cooperation). At this meeting the activities of the two organizations in combat and technical training of the youth were reviewed. Concrete measures were adopted for the improvement of joint activities, but chiefly for the participation of youths in DOSO courses and study groups.

In the appeal the two organizations assume the following obligations:

2. Before 30 November 1952 all members of the DSEM are to join DOSO courses and study groups in sports, marksmanship, and PVKhO (Antiair and Chemical Defense).
3. Much agitation must be done to include members of the DSEM in courses in sports, flying, amateur radio operating, automobile and engine work, model shipbuilding, and parachuting.
4. Before entering the army, each conscript is to become a wearer of the insignia of GTO (Ready for Work and Defense), "Naroden strelets" (People's Marksman), and PVKhO.
